Art Unit: 3744

The following is an examiner's statement of reasons for allowance: In view of applicant's response filed on March 12, 2004, the reference to Wiseman et al is not available as the basis of a Section 103 rejection since the reference and the present application were commonly owned by or subject to an obligation to assign to General Electric Company at the time the invention was made.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

This application is in condition for allowance except for the presence of claims 28-31 to an invention non-elected without traverse. Accordingly, claims 28-31 have been cancelled.
